

RAHA Training Seminar - Quality Programs for Refrigeration Contractors

If you are working with refrigeration equipment, you will have noticed the changing landscape of safety and accountability.

If an incident or leak happened on your job site, do you know what you need to answer inquiries confidently?

Join Qualimet Inc. for a plain-language briefing on Alberta's regulatory landscape, ABSA requirements, and AQP/CAP authorization — without turning your company into a paperwork factory.

Calgary | Mon. June 16 | 12–1 PM | Sinclair Supply, 4033 — 9 St SE

Edmonton | Thu. June 18 | 12–1 PM | Qualimet Inc., 8055 Coronet Rd
